GTS COMMUNICATIONS ANNOUNCES NEW STAFF MEMBERS

NORTH OLMSTED, OH—In response to a more than 25% growth rate, GTS Communications, an inner-connect telecommunications firm specializing in custom business phone systems, is pleased to announce the addition of two employees.

Cory McConkey of **Brooklyn** and **Robert Jackson** of **Elyria** have joined GTS as field technicians. In their positions, they are responsible for the installation and maintenance of Norstar, Nortel and Meridian phone systems, VoIP [Voice Over Internet Protocol] technologies, and voice mail and paging systems for local and national organizations small and large. To accommodate its growing crew, GTS has increased its work van fleet by 15%.

GTS also offers wired and wireless computer networking, configuration of Cisco routers and switches, and server and operating systems installation. The company is locally owned and operated by Jerry and Victoria Stallard, and recently won the Council of Smaller Enterprises' [COSE] Ten Under 10 honor, an award recognizing the outstanding achievements of ten Northeast Ohio organizations with ten or fewer full-time employees.

GTS Communications is located at 23146 Lorain Road in North Olmsted and can be reached at 440-734-8866 or 877-GTS-8866.
