GTS COMMUNICATIONS, an inner-connect telecommunications firm specializing in custom business phone systems, was awarded in May the Council of Smaller Enterprises' (COSE) first-ever Ten Under 10 honor. The COSE Ten Under 10 is a new annual small business awards program that recognizes the outstanding achievements of ten northeast Ohio organizations with ten or fewer full-time employees. GTS' average annual growth rate of 25 percent over its nine-year history, 100 percent employee retention rate in the last five years and exceptional customer service record were among the performance measures that impressed Ten Under 10 judges. Jerry Stallard is the GTS founder and president.
